Display

- Eye-catching exhibits that hold the attention.
- Attractive ways to display products in your store.
- Strong impact-at-a-glance is the best sales approach available for those who want to see an increase in profitability.
- Use this custom floor display to place products at any POS location with marketing messages on the header and shelves.
- Floor display stands are the most popular way of product promotion in retail shops or at fair stands.

WE FOCUS ON QUALITY!

We don't compromise when it comes to quality. Our products are made of the highest quality materials, making every effort to ensure that our clients are always satisfied.

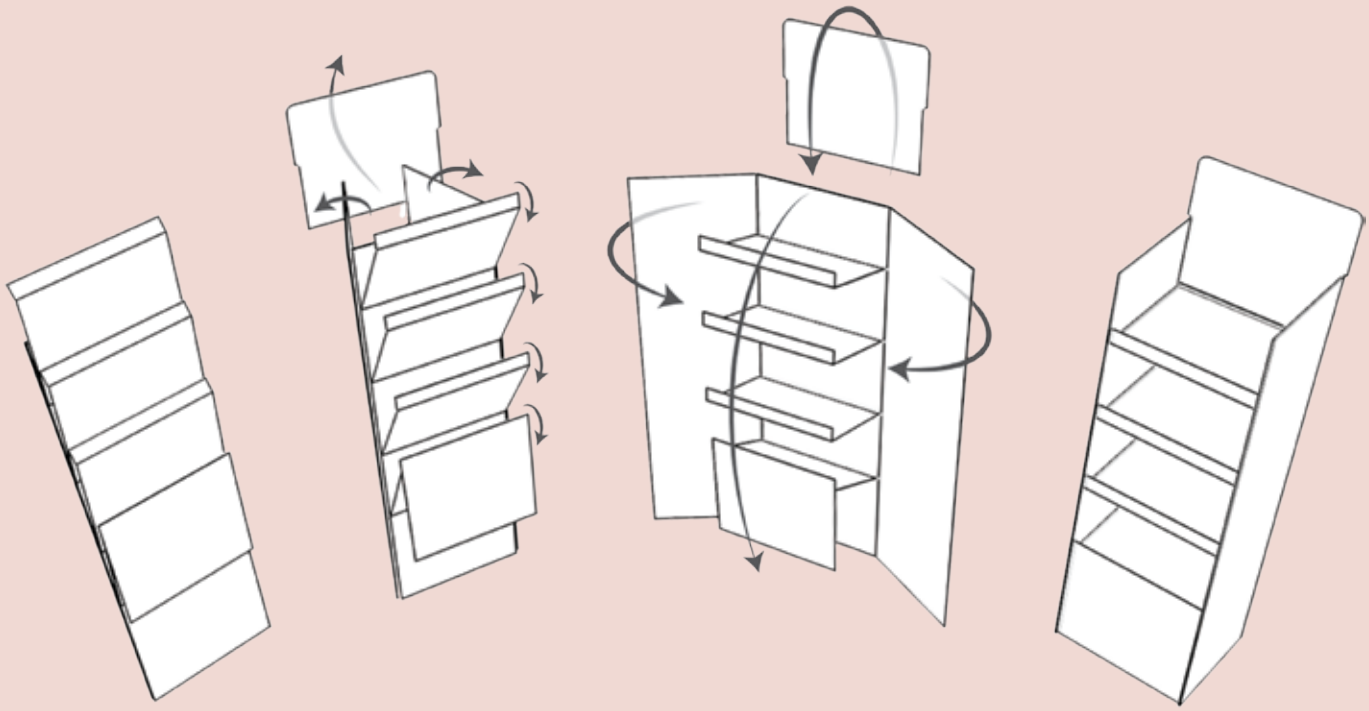

Our vast experience in constructing shelf displays has provided minimal set-up time, handling, and restocking.

TRANSPORT BOX

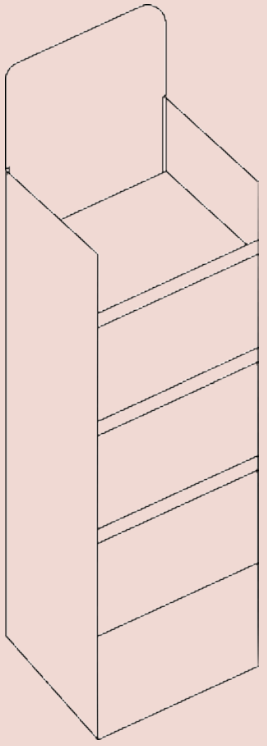

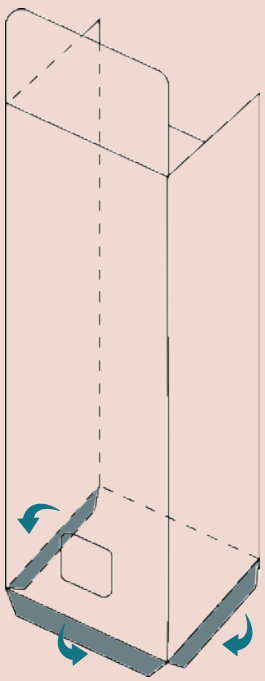

EASY ASSEMBLY.

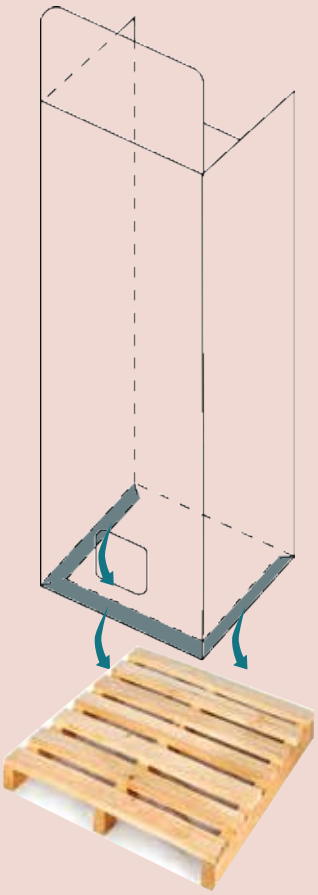

Fixing display on wooden pallet

1. folding extensions

2. staplering extensions and wooden pallet

Shelf front options

The examples show the folded FRONT EDGE, not the slope of the shelf.

UPTURNED FRONT EDGE

Margot display

Front edge folds UP

The raised edge helps retain products, but may partly hide the bottom of the packaging.

SIDE VIEW (SCHEMATIC)

DOWNTURNED FRONT EDGE

Gourmandis display

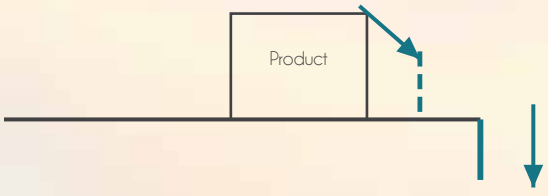

Front edge folds DOWN

The downturned edge keeps more packaging visible. Add a separate stopper when needed to help prevent products falling.

SIDE VIEW

Optional product stopper

Stopper shown schematically; not fitted in the photograph.
